Subject: Proposal for Supply and Installation of 3KW-1 Phase Grid Connected Rooftop Solar Project with 3360 Watt-peak Solar DC load.

We take this opportunity and introduce ourselves as "**AAYANSH POWER PRIVATE LIMITED**" a Solar EPC company of Northern India. We have vast experience in the field of Renewable Energy, Solar Rooftop installations, Power Trading, Renewable Energy Certificate Trading & Energy Advisory Services. We have all been involved in providing Engineering solutions, more particularly Electrical Engineering Solutions to Malls, Hotels, Hospitals, Industries & residential clients.

We have an in-house design team comprising well educated and trained Electrical Engineers, Electronics Engineers, Mechanical Engineers and Civil Engineers to take care of all the aspects of Design of a Solar Power Plant & ensure our customers to get the most out of their solar rooftop system. We also have a dedicated team of well experienced Engineers and Technicians for timely Project Execution. We have acquired logistical resources to undertake simultaneous execution of multiple Solar Power Projects of even Mega-Watt Scale.

We are thankful and honoured for the interest shown in our solutions and for considering us for your prestigious requirement. We are pleased to submit our solution and look forward to the opportunity to serve your organization better with our state of the art, industry leading products, services and solutions.

With our strong expertise, dedication to serve the Indian market and the desire to bring in world-class solutions in the Power quality market.

- 8+ Years of field experience in the field of Renewable energy sector.
- 50+ Customers with our products and solutions in Bihar.

We are confident that we shall be able to provide you the most efficient solution for all your power quality challenges.

AAYANSH POWER PRIVATE LIMITED

G.F, H.No.2, LANE No.-8, S.K PURAM, ARYA SAMAJ ROAD, DANAPUR, PATNA (BIHAR) -801503

PRICE SCHEDULE

The Total Project Cost including Supply of material along with installation & commissioning is

Rs 230,000.00/- (Including GST 18%).

(In Words: Rupees Two Lac Thirty Thousand Only.)

Scope of Work:

1. Engineering/Procurement/Construction/commissioning of Rooftop Solar Power Plant
 - Supply of Solar PV modules.
 - Supply of solar inverter.
 - Supply of MMS (Module mounting structure), AC, DC Cables.
 - Supply of earthing, lighting arrestors & Bos.
 - Design, Engineering, Installation, Testing & Commissioning.

All items will be delivered at site. Freight- Included.

Validity of offer: 7 days from the date of offer.

Timeline: For Installation 20 days. Net Metering: Within 10 Days after Installation.

Warranty:

1. Solar Modules:
 - Product warranty: 10 Years.
 - Performance Warranty: Linear Power warranty for 25 Years with 3% for 1st year degradation & 0.65% from year 2 to 25.
2. Solar Inverters:
 - 5 Years warranty from the date of supply in accordance with the warranty conditions by the inverter manufacturer.
3. Consumable items such as safety devices (SPDs) does not come under warranty.
4. Years Complete Warranty on the Project.
5. AMC Included for the 5 Years.
